Millions In New York Shout Welcome To Gen. Eisenhower

Gen. Eisenhower Given Gigantic Welcome By City

Millions Line Streets Of New
York To Cheer Hero Of
U. S. European
Victory

GREETINGS DWARFS FORMER WELCOMES

By SAUL PETT
U. S. Staff Correspondent

NEW YORK, June 19.—New York, the nation's traditional reception center for homecoming heroes, rolled out its biggest welcome mat today for one of the greatest living Americans—Gen. Dwight D. Eisenhower.

Chief Inspector of Police John O'Connor estimated the 4,000,000 persons lined the route from LaGuardia field to city hall, at city hall plaza and its surrounding streets, another 2,000,000 looked on cheering, he said.

From East Side to West Side, from the tenement to the homes of the "400" from the guard, theatrical fronts of Times Square to the financial and scores of Wall Street, millions gave the greatest reception in New York's history.

Dwarfs Previous Welcomes

The welcome in the color and spontaneity, dwarfed the greatest welcome, according to press of the past—Aug. George Dewey in 1896; Gen. John J. Pershing in 1919 and Charles A. Lindbergh in 1927.

The sidewalk of New York were lined from curbside to stone fronts by massed spectators waving flags and shouting for the lean, blue-eyed Kansas who entered this was an obscure officer and emerged as one of the greatest military commanders of all time.

At the last moment to satisfy still more elements of the nation's largest city, the route of travel was changed to include the traditional "heroes' run" from the Bay to through the financial districts to city hall.

The proceedings started only 12 minutes late and the delay was caused by a saber which General Ike will need for his welcoming ceremony tomorrow at West Point.

The dress sword had been forgotten in the general's hotel in Washington. He and the others in his party waited while an aide went to fetch it.

Ike's four-masted Douglas skipper, a yellow sunflower painted

PA NEWC Observes

One young public library borrower was around bright and early for books this morning. With two books under his arm, he then the door of the children's entrance appeared before 8:30 this morning and appeared perplexed to find it not open yet.

Just in case you don't remember, a year ago on June 18 was vastly different as far as weather was concerned from what it was yesterday. Last June 18, the temperature soared to 97 degrees and folks really suffered from the heat. The same temperature was recorded on June 29.

At noon today, in three of the election districts of the second ward, in the third, fourth, and sixth, and about 8% of the registered voters of those districts had cast their ballots in the primary. A general election official at one polling place said that normally in an election like this, his precinct about a third of the voters vote before noon.

President Truman warned today of the danger of increased automobile accidents growing out of this

"IT'S BEEN A LONG TIME, DARLING"

Buy E Bonds

PHILADELPHIA, June 19.—INS—G. Rubland Rehmann, Jr., Pennsylvania war finance committee chairman, today appealed for increased E bond purchases during the rest of the seventh war loan drive.

He said that E bond sales have been lagging and added that yesterday's report showed they stood at \$137,800,000 or only 61 per cent of the \$288,000,000 E bond quota.

President Is Making Flight To West Coast

Capital On Non Stop
Plane Trip To Olympia,
Washington Today

NUMEROUS STOPS BEFORE RETURN

By ROBERT G. NIXON
U. S. Staff Correspondent

WITH PRESIDENT TRUMAN en route to Olympia, Wash., to open the 40th session of Congress, Gen. Dwight D. Eisenhower, his chief of staff, left the White House this morning for the West Coast, and Gen. George C. Marshall, his chief of staff, headed east after the arrival of President Truman.

The two men are to return to the United Nations conference.

The C-47s, four-engine transports, took off from the Washington National Airport at 8:20 a.m. EWT for a nonstop flight to Olympia, Wash.

To Arrive at 4 P. M.

He is expected to arrive at the Washington airport at 4 p.m. EWT this afternoon.

The President will be greeted by Gen. Mon C. Walling, chief of staff and former Senate colleague, for several days before flying on to San Francisco to witness the signing of the United Nations charter and to address the closing session of the conference.

When Mr. Truman arrived at the airport, he was met by Gen. Dwight D. Eisenhower, his chief of staff, and took the late President Roosevelt's place to his left. Gen. George C. Marshall, his chief of staff, was seated at the right.

It is the same plane in which General Eisenhower flew from Paris to Washington to his triumphant homecoming reception yesterday.

Other Planes Accompany

Two other large transport planes are accompanying the President, carrying correspondents from the

Voters Are Slow Chinese Forces Going To Polls Driving Ahead From Wenchow

State Wide Vote Will Be
Light According To Fore-
cast During Morning

HARRISBURG, June 19.—INS—Less than 25 per cent of Pennsylvania's estimated 4,500,000 eligible voters we expected to turn out for a primary election marked by statewide balloting for only two \$18,000 lead posts on the superior court.

The polls will open at 7 a.m. and close 13 hours later. As a result of the anticipated light vote, most election boards were expected to have ballots counted by midnight although contested local elections may postpone certification.

The Republicans have endorsed member judges W. Heber Dithrich of Coraopolis and John C. Arnold of Clearfield for 10-year terms on the appellate bench.

Democrats have thrown their support behind Judge A. Marshall Thompson of Gibbons and John Morgan Davis of Philadelphia.

Local Contests

Local contests were expected to add some fireworks to the election especially in Pittsburgh, Scranton and 18 third class cities selecting mayors and other officials.

In Pittsburgh, Democratic State

RAINY SEASON IN PHILIPPINES NOW NEARING

MANILA, June 19.—INS—American troops on three Philippine Islands front fought ahead grimly today, striving to win decisive final battles of the campaign before beginning of the rainy season which is expected momentarily.

Although overnight showers rendered fighting difficult in some sectors, the monsoon-like storms have not yet begun and the tempo of the American advance, it being sustained from Northern Luzon's Cagayan valley to Mindanao.

Almost hourly advances are reported from every sector as infantry, airpower and artillery repeatedly force the Japs from prepared positions. In some sectors the Yanks are moving so fast they outpace their tactical maps.

The Emmons casualties included 50 killed, two missing and 38 wounded. Among the wounded was her captain, Lt. Com. Eugene N. Foy, of Chester Hill, Mass., a grandson of the former governor of that state.

Among the missing is the executive officer, Lt. Temples J. Linds of Syracuse, N. Y., who was blown from his bridge by a bomb explosion.

Normal complement of a vessel of the Emmons size and type is about 300.

U. S. Minesweeper Emmons Target
Of Five Jap Suicide Planes;
13 Casualties Reported

WASHINGTON, June 19.—INS—The navy department today revealed that U. S. fast minesweeper Emmons, was hit by five Japanese suicide planes off Okinawa April 6, last, sustaining 139 casualties and suffering damage that made it necessary to sink her.

The Emmons casualties included

Coca-Cola Supply Will Be Affected

Further Cutoffment Of Supply
After July 1 Because Of
Sugar Supply Cuts

The supply of coca-cola in Lawrence County definitely will be affected by the further cutoffment in the supply of sugar after July 1 because the manufacturer of that popular drink will not compromise with the use of substitutes.

However, an equitable system of rationing will be maintained in Lawrence County during the shortage, according to Chas. B. Mayne, president of the Lawrence Bottling & Milk Co. bottlers of Coca-Cola.

The O. P. A. announced today that no allocation of sugar to industrial users would be cut to 50% of the sugar used in the third quarter of 1944, effective July 1.

"I am informed that this sugar shortage is world-wide and not merely national and is directly attributed to the confusion in the production and distribution of sugar occasioned by the war," said Mr. Mayne.

Sugar is absolutely necessary in the manufacturing of Coca-Cola. We cannot and will not use sweetening substitutes and therefore will not compromise with the integrity of Coca-Cola. Therefore when sugar is short there must be a shortage in the amount of Coca-Cola, but we can be certain that the quality of Coca-Cola will remain unchanged.

"My company is committed to play fair with our government and obey its regulations in both letter and spirit, to maintain the quality of our drink and to maintain an equitable distribution system to serve all our customers equally and that we will do."

"We still have a war to win and that comes first, but we will attempt still to get you all of the Coca-Cola that is possible and what we have will be available to all. I only ask that if your dealer does not have Coca-Cola available on the day you seek it, ask him another day because we will keep our distribution up on a regular basis although the supply will be curtailed."

TEMPLETON FISHER BETROTHAL IS TOLD

Mr. and Mrs. John Templeton, 141 Boxes avenue, announce the engagement of their daughter, Marilyn Louise to Capt. John Edwin Fisher, son of Mr. and Mrs. John S. Fisher of Pomona, Calif., formerly residents of this city. The engagement will terminate in an early summer wedding.

GROUP AT ST. MARY'S ENDS WITH ELECTION

At a recent meeting of St. Mary's Educational Association, election of officers took place for the ensuing year. Those elected include the following: President, William Nelson; vice-president, Mrs. F. T. O'Laughlin; treasurer, Mrs. J. Heaney; secretary, Mrs. W. Howley. This winds up the present year for the organization until September.

Business of a routine nature was conducted, when plans were discussed for a medical clinic for the pre-school age children. It will be held sometime this month, if it is announced. Other items were also considered.

In closing, Rev. Francis McCarter offered prayer.

WESLEY CHURCH TO HAVE 'GUEST NIGHT'

On Thursday evening at 8 o'clock at the church, the Women's Society of Christian Service of Wesley Methodist church will entertain the missionary societies of Pulusuk and King's Chapel Methodist churches.

Mrs. J. P. Rennert, president of the Grove City district WSCS, will be the speaker on the program, which has been arranged for the evening.

RAINBOW BOARD TO HAVE MEETING

Mrs. Charles F. Allen, president of the advisory board of New Castle Assembly No. 1, Order of the Rainbow for Girls, has announced a special meeting of the advisory board for Wednesday evening, following the regular meeting of the Assembly in the Cathedral.

Wednesday evening's meeting of the Assembly will be the last of the summer season.

Vocational 'AG' Program Is Told

John Mallory, County Supervisor Of Agriculture Addresses Rotary Club Monday

OUTLINES MANY PHASES OF WORK

New Castle Rotary club members heard a very informative talk on the vocational agriculture program of the county schools when they were addressed by John Mallory, vocational supervisor of agriculture for Mercer and Venango counties, who is acting in a supervisory capacity for the Lawrence county schools since the departure of James Fink to the armed forces.

Mr. Mallory explained the different phases of the work. The first phase was the classroom work, where theoretical instruction is given; shoproom work, where practical instruction is given in teaching carpentry, machinery maintenance, electrical installation and maintenance, and other branches allied to the farm industry; project work, where the classroom theories are put into practice; the Future Farmers clubs; and lastly, adult education, which was instituted following our entry into the war.

FUTURE FARMERS Work Outlined

In the project work each boy takes up some farm project, such as the raising of livestock, or growing corn or potatoes.

In the Future Farmers, a boy who has invested \$25 in some project and completes it, receives the degree of Chapter Farmer. After he has been enrolled for a year, and takes up a well rounded project program, adding to what he had before and has earned and profitably invested \$200, he is entitled to become a Keystone Farmer. After that, he may go on to earn the American Farmer degree, in which he must be established in farming and making it a success.

For the American Farmer degree, only seven or eight boys qualify each year from the entire state of Pennsylvania, and it is a distinction which few reach, Mr. Mallory stated.

Only one Lawrence county boy holds this degree now. He is David Jaimeson of East Brook, who graduated from East Brook high school several years ago and is now operating the Sharp Fullerton farm near Mt. Jackson. Young Mr. Jaimeson is vice president of the Future Farmers in this area.

Mr. Mallory paid high tribute to the work being carried on in the three vocational agriculture schools in Lawrence county. They are East Brook, Mt. Jackson and New Winton.

Forecasts Future Needs

He also stated that there would be an obligation to the city men who turn to a rural place of ten or ten acres, which he operates in addition to his city job, and to which more city dwellers are turning.

He stated that all boys raised on the farm stay there, but more emphasis will be paid to those who in end to make farming their future in the postwar period he pointed out. If they did not farm, would become an overengaged occupation, and few engaged in it could make a living.

In Mercer and Venango counties last year vocational agriculture students operated projects which represented an investment of over \$32,000 and had receipts of over \$51,000 netting a profit of over \$18,000.

Among the guests of the club was Walter Hess, director of vocational agriculture training at Slippery Rock.

He stated that all boys raised on the farm stay there, but more emphasis will be paid to those who in end to make farming their future in the postwar period he pointed out. If they did not farm, would become an overengaged occupation, and few engaged in it could make a living.

Waste Paper Is Badly Needed

Collection Here Saturday
Should Net Many More
Tons Than Usual

If the morning mail has brought you a personal letter from General Eisenhower or Admiral Nimitz, or GI Joe telling you that paper was vitally needed in the war effort, the probabilities are you would start saving immediately. And by next Saturday, June 23, you would have a pile of it to add to the monthly collection.

Of course you didn't get such a letter but the appeal is made by every military authority to save paper and more paper. Paper containers are needed for packaging ammunition, food stuffs, medical supplies, clothing and a thousand other items. The stuff has to get to the South Pacific and paper cartons are needed to pack it.

Pile It Up

You are asked to have a bundle of waste paper on your curb next Saturday morning that the trucks may pick it up sometime in the afternoon. The paper you donate may soon be seen as a carton carrying blood plasma for donation in the South Pacific. It may be carrying shells or guns or constituents. But it will be doing a war job whenever it goes and you will be helping.

There should be at least one hundred tons of paper collected next Saturday. There probably will not be for not enough people think of saving their waste. Don't be listed among that group this week.

What net profits accrue from the collection of the waste paper will go to the Young Men's Christian Association. Chairman Joseph A. Hartman stated today.

Have your paper well bundled and securely tied on the sidewalk Saturday morning. The trucks will get it later.

Dr. J. S. Martin Dies In California

Former R. P. Pastor Passes Away;
Editor, Author, National
Reform Lecturer

Dr. E. A. Crooks, pastor of the Reformed Presbyterian church, Oak street, has received word by telegram of the death on Sunday of Dr. J. S. Martin in Santa Ana, Calif., at the age of 84. Surviving him are his wife, Mrs. Anna George Martin, two sons, Sloan Martin of York, Pa., and Donald Martin of Beaver Falls, and daughter, Mrs. Hathaway Martin Borron of Louisville, Ky.

Funeral services will be Saturday afternoon in College Hill, R. P. church, Beaver Falls, with interment in that city. Dr. Martin had retired from his work at Geneva college and with his wife moved to Santa Ana last October.

Dr. Martin graduated with first honors from Geneva college in June 1887, and completed his studies at the Reformed Presbyterian Seminary in Allegheny (now N. S. Pittsburgh) in 1891. He was ordained and installed pastor of the local church on July 6, 1893, serving with great zeal and effectiveness until January 1909, when he was released to take up work in the National Reformatory, and was general superintendent for 15 years of successful labors. He has served as editor of the "Reformed Presbyterian Standard," and later as editor of the Christian Statesman.

He was chosen to manage the campaign of enlarging of the endowment fund of Geneva college, which he handled with marked success, and continued in the service of this institution. He is the author of numerous works on Christian Citizenship and National Reformation, and had lectured over the greater part of the United States.

It was during the pastorate of Dr. Martin in this city the present edifice was erected on Oak street in 1894.

CHARGE AGAINST DRIVER

MERCER, June 19—C. W. Bonebrake, of New Wilmington, was involved in an automobile accident Saturday afternoon on Route 18 at Bobby's Corners in which no one was injured, but charges of failing to observe a stop sign at Bobby's Corners have been brought by the State Police who investigated the accident against Bonebrake.

Lt. Frank P. McNeese, U. S. Army Air Corps, has arrived home on a short leave, having completed a course in B-29 training at Roswell, N. M. He will next report to Lincoln, Neb., where his crew will be completed. Harold O. McNeese, S-1-c, is still stationed at Pensacola, Fla., where he is an instrument man on seaplanes. The boys are the sons of Mr. and Mrs. Oliver J. McNeese, 210 Milton street.

Mr. and Mrs. John Galanski, R. D. 7, received word that their son, Pvt. Charles W. Galanski, arrived overseas. His last furlough home was at Easter. Another son, Cpl. Fred V. Galanski, who was confined to hospital in France, has recovered, and is now in Germany. Another son, Sgt. Leonard P. Galanski, U. S. Marines, is in the Pacific.

Cpl. Joseph Miron, of 317 East Meyer avenue, has been transferred from Indiana Gap to Fort Jackson, S. C.

First Sgt. Harvey K. Pollock, 411 West Park Way, spent eight years in the Army and then signed up with the Leathernecks shortly after Pearl Harbor to fight on Iwo Jima

Two New Castle men, Philip P. Kresowaty, boatswain's mate 1-c, son of Mrs. Theresa Kresowaty, 1705 Morris street, and David J. Trebarne, radioman 1-c, son of Mr. and Mrs. Ernest R. Trebarne, 515 Newwood avenue, are members of the crew of a destroyer which ranged for two days within 75 miles of the Jap island of Kyushu while Vice Admiral Marc A. Mitscher's fast carrier forces sent clouds of planes over Japan proper on their fifth such strike of the year. The crewmen of this destroyer are veterans of seven major Pacific campaigns.

School Survey Report Is Given

Committee Of GNCA Returns Findings On Fowlkes Survey Of Schools

In a report to the association, the committee appointed by the Greater New Castle Association to study the survey report of Dr. John Guy Fowlkes of the public schools has made its report and submitted it. The report follows:

New Castle Penna.
May 23, 1945

Mr. Roger Jewett, Executive Vice President

Greater New Castle Association, New Castle, Pennsylvania

Dear Mr. Jewett:

The committee appointed to study the School Survey respectfully submits the following report based on a thorough study of the survey and discussion of its contents and recommendations:

The School Board is to be commended for having authorized a complete study of the educational facilities, the school curriculum, the teaching personnel, school finances, the organization of the Board and the administrative staff.

The Survey Staff appears to have been well qualified by training and experience and had the advantage of a disinterested viewpoint.

Many recommendations and suggestions are contained in the report covering the several phases into which the survey was broken down.

This committee recognizes its inability to judge the merit of many of these recommendations and suggestions but feels certain that the school people will give them thorough consideration and that the school system will profit accordingly.

In the same manner many citizens reading the report will achieve a larger grasp of the problems involved in educating our children and will more intelligently support efforts to improve the schools.

We do however, wish to make the following comments:

There are several recommendations under the heading of "Curriculum Reform" and "Teaching Personnel" which the committee desires to stress. We agree with the need of a program for expanded vocational education and vocational

education, and vocational guidance, a more comprehensive health education program; coordination and integration of the entire curriculum and closer contact with parents.

Referring to the suggestion that 80% of the vacancies be filled with non-resident teachers, it is felt that the determining factor should be the training and experience of the applicant.

We suggest that serious attention be given to the recommended organization as shown in Chart 11. We feel that this plan of organization in the school system is fundamental since from an organizational plan many of the suggested recommendations of the survey will follow as a matter of course; in particular, we refer to strengthening of the position of the Superintendent of Schools and making it possible for the function of the School Board to be advisory rather than supervisory.

With regard to the many suggestions in the sections devoted to procedures for the Board of Directors, the business administration of the schools and school finance, and budgetary procedures, this committee feels full confidence in the ability of the Board of Directors of the New Castle schools to weigh these suggestions carefully, and to adopt such of them as promise to benefit the operation of the school system and to work toward such others as may take a considerable number of years to accomplish.

Your committee is in agreement with the suggestion contained in the report that major construction of buildings to be postponed for a few years in order to observe population trends, both numerically and geographically, meanwhile, making such minor alterations as are necessary for health and sanitation.

This committee is not unmindful of the difficulties involved in the determination of an adequate and balanced athletic program. In general, we believe that serious consideration should be given to ways and means of broadening the base of athletic interest and participation. Any measures that would encourage intramural competition in basketball, volleyball, swimming and kindred activities on a team against team basis, should in our opinion be encouraged. Varsity competition might well be correlated with such a program.

The committee recommends that the school board be offered whatever assistance lies within the power of the Association in supporting any effort of the school board to give the report wider circulation or to assist in arranging for public discussion of it.

Now More Than Ever It's The Ladies Store for the Smartest Fashions

This is a message for men who have shown little interest thus far in the marketing of the best of men's cosmetics and hormones. Tomorrow a new man, a modern man, a man who loves his wife, his children, his home, his hobbies, his friends, his work, his health, his money, his power, has multiple uses, and who enjoys you once knew. You will approach your whole attitude toward life and improve when you begin to use these products. It will be no longer for feminine beauty, but for the man's own health, his family and pleasure, which made them worth a thing to remember. Add a year when you are from the pleasure products formula combining vitamins and hormones. Follow directions on label. Tomorrow you will be a modern man.

Exped. Drug Co., Payless Cut Rate, and drugists everywhere.

Pvt. John T. Pitzer Gets Combat Badge

(Special To The News)

WITH THE 32ND INFANTRY DIVISION IN NORTHERN LUXEMBOURG, P. L.—Serving in the veteran 32nd (Red Arrow) infantry division, Pvt. John T. Pitzer, husband of Mrs. Domina Pitzer, 218 Bellevue avenue, New Castle, Pa., has been awarded the combat infantryman badge for satisfactory performance of duty in ground combat against the enemy.

The division commanded by Major General William H. Gill, and in its fourth year of combat against the enemy in the SWP, has been fighting along the Villa Verde road in the precipitous Carabao mountains of northern Luzon.

Pvt. Pitzer, who is serving in the division's crack 123rd infantry regiment, also wears the Philippine libe-

Summer Sunday Evening Church Services Planned

First Service Of Summer Series Will Be Held Sunday, June 24, On Diamond

Union Sunday evening church services will open Sunday, June 24, at 7 o'clock on the lawn of the First Christian church on the Diamond. (In case of inclement weather the service will be held in the church.) The service will be the first of the summer Sunday evening services sponsored by the New Castle Ministerial Association and the Lawrence County Christian Endeavor Union.

Charles S. DRAIN, Jr., president of the Pennsylvania Christian Endeavor Union, vice president of the Pennsylvania State Sabbath School Association, and the Pennsylvania Council of Christian Education, has been secured as speaker for the opening service. Mr. DRAIN is a well-known Christian layman.

The committee in charge of arrangements for these services, which will continue through September 2, includes Rev. Thomas J. Jones, Rev. James N. Rainey, Dr. G. S. Bennett, Kenneth Gaston, Mary Elizabeth Norris, Alena Mae Montgomery, and Emma Patton.

Music committee is David W. REECE and Dave Lewis.

At Annex Continue Good Work

Adding to their hours of service as volunteer telephonists at the Division annex, a number of the Red Cross women thus serving have enough service to qualify them for service pins.

Mrs. C. W. Cameron, in charge of the telephone volunteers, today announced the names of the women who served in May at the annex. They include: Mrs. James Flynn, Mrs. H. E. Gill, Mrs. L. H. Hargrove, Mrs. J. H. Huston, Mrs. Percy Knight, Mrs. Norman Matlock, Mrs. Richard Margolis, Mrs. Charlotte Seeger, Mrs. Elmer Shaffer, Mrs. H. M. Stevens and Miss Olive Zeigler.

Mrs. L. H. Harper is one of the operators who have sufficient hours for the service pins. Others have received them: Mrs. J. W. Campbell is now back in service as a volunteer and Miss Helen Wilson has returned from New York City and is ready for relief work.

The committee recommends that the school board be offered whatever assistance lies within the power of the Association in supporting any effort of the school board to give the report wider circulation or to assist in arranging for public discussion of it.

Submitted.

Sgt. Victor Watters Wounded On Okinawa

Infantryman Now Convalescing In McGuire General Hospital, Richmond, Va.

Word has been received by Mrs. Mildred Watters of Princeton that her husband, Sgt. Victor Watters, was seriously wounded in the battle of Okinawa on May 2 and has been evacuated to the states for further treatment.

At present he is convalescing at the McGuire General hospital at Richmond, Va.

While fighting at Okinawa he was attached to the 77th Infantry. He has been wounded previously at Leyte, and has been awarded the Purple Heart medal and the bronze star medal.

Sgt. Watters has been in service since October 1942 and overseas since March 1944.

He is the son of Alfred Harrison Watters of New Castle.

GIRL IS DROWNED

TYRONE, Pa., June 19—(INS)—The grief-stricken parent of Rayna Lee Bressler, 22, of Tyrone, today made arrangements for the burial of her body which was recovered from an abandoned quarry near Tyrone where she drowned Sunday.

You can't have MASS PRODUCTION without MASS TRANSPORTATION

AMERICA'S mass production system depends upon 1. Huge quantities of raw materials. 2. Manufacturing facilities and capacity. 3. Transportation of basic materials and finished products.

Only your railroads, which in 1944 carried 75% of America's freight, can bring from far flung mines, forests and farms sufficient volume of materials to supply American industry. And upon your railroads depends the constant movement of vast quantities of manufactured articles to consumers.

Yes, your railroads are America's great low-cost mass transportation system. By their continued progress, by keeping pace with industrial developments, they will make possible greater production, more jobs, better living for all of us.

Dodgers Defeat New York 2 To 1, Increase Lead

Takes Brooklyn 13 Innings To Subdue Giants, White Sox Trip Tigers

PENNANT FIGHTS IN BOTH LEAGUES

By CHARLES LINSTEIN

International News Service Sports Writer

NEW YORK, June 19.—As in the National League, pennant battles are being waged in the American League, with each club now breaking into four, each others' ranks with a three-dimensional modern big-league structure.

As the teams move into the second half of the 1945 campaign the National and American league standings are becoming to resemble the old-day fisticuffs.

The Boston Braves, sixth-place occupant in the National, were only five games off the pace, and the connection between them and the first-place Brooklyn Dodgers was something awful to behold.

The third circuit was not much better off, with only eight and a half lengths separating the last-place Philadelphia Athletics from the pace-setting Detroit Tigers. In days gone by, 8-game gaps were customary between the 1st and second-place clubs, while the cellar-dwelling teams were usually twenty odd games behind.

Dodgers-Hose Win

The Giants, Nip and Tuck were in the drivers seat in the two contests played in the majors last night.

The Detroit Tigers and the Chicago White Sox battled for eight and a half innings before the Sox persuaded one run across the last half of the ninth to win 3-2. Bill Dierckh limited the Beagles to four safeties as the Hose moved into fourth place in the A. L. standings.

Things were even closer in heatlocked Ebbets field, where the Brooklyn Dodgers took on the second-place New York Giants.

As it turned out, the Dodgers banded together in the ninth, the ninth, to win 2-1 and stretch their lead to two games.

The Giants and the Boston Braves will encounter a special quiet when they meet at the Polo grounds this afternoon. None other than Gen. Dwight Eisenhower will be on hand to watch the two clubs slug it out.

MADONNA WINS FIRST HALF FLAG

Defeats St. Joseph, 12 To 5, In Play-Off Of Catholic Grade League

Madonna, whose school team defeated St. Joseph at the Booker T. Washington field 12 to 5 in a play-off to win the first half of the Catholic Grade School league, Madonna had sufficient runs at the end of the third to win. J. Lasko pitched for Madonna and Lasko hunted for St. Joseph.

Score by innings: Madonna, 3-0-4-0-0-0-5-12-12-5; St. Joseph, 0-1-2-0-1-1-1-5-3-5.

Batteries—Madonna, J. Smerek and Presnar; St. Joseph, Lasko and Marache.

The standing of the league at the end of the first half, excepting the play-off, follows:

W. L. Pts.

Madonna 4 1 300

St. Joseph 4 1 300

St. Mary 3 2 300

St. Michael 3 2 300

St. Philip & James 3 2 200

St. John 0 5 000

St. George 0 5 000

Service Star

NEW CASTLE NEWS SPORTS

County League Games Wednesday

Two Games Carded In Lawrence County Baseball League On Wednesday

Two games will be played in the Lawrence county baseball league on Wednesday evening weather permitting. Both games will start at 6 o'clock.

Wampum will play Ellwood City and try to dump the Ellwoodians for the first time this year. Jake Powell will be on the hill for the Wampumites opposed by either Ralph Ferranti or Beattie.

The New Castle Moose Club will journey to Edensburg to battle the Tigers, in what should be a good game. Edensburg has tasted victory but once in the league to date and are anxious to win another one. The Moose defeated by Wampum recently will try to atone by twisting the Tigers' tail.

DeCARBOS UPSET UNIVERSALS, 17-6

Only One Game Played In Industrial Softball Loop On Monday

Despite inclement weather and a muddy field, the W. F. DeCarbo Bombers increased their lead in the Industrial softball league by thumping the Universal Potters team 17 to 6 in a game at Doshon Annex field. It was the sixth win for the DeCarbos against one defeat.

Mike Isabelle went to the hill for the Bombers and gave up but six hits, fanning four. The Bombers clubbed M-Cart and Atsone for 16 hits.

Wednesday the DeCarbos face a tough Doshon Annex team at Antrim field with "Smoky" Dunc back from Pittsburgh and wanting a crack at the league leaders. Isabelle will pitch for the Bombers.

Score by innings: R. H. E. Universals 0-0-0-10-6-6-6-3 DeCarbos 0-0-6-7-10-17-16-3

Batterson, DeCarbos; Isabelle and Laporte, Universals; McCarty, Atsone and Reida.

LOCKS POTTERS RAINED OUT

The Locks' Machines and St. John's Potters game at Marshall field last night had to be called off due to the muddy condition of the field following an all-day rain.

It was announced that the Locks' team will play the Universal Bombers at Marcellus field this evening.

Although Freeman has proven an able batter in defeating several local stalwarts, Joyce's prowess shown in winning over NBA Champs St. Louis Bob Williams in New York's N. Y. Army air base has nothing to do with his women's system today. He is competing in the 100th annual championships at Harrisburg June 20.

Jackie Floyd will swap pumice and Maric's Colon Latin from Marcellus for the eight-round semi-final at Hammonton at the Passaic West Phila. on June 20. Don't be surprised to see the Miller New York boxer, who participated in the 1944 AAU championships.

The Chicago Art Institute has a woman's team in the meet which will also include members from other schools as Williams, Penn, High art school in the United States, and Esmeralda.

Home From England Sports Writer Is Fatally Stricken

Lt. Jack Miley, 46, Stated For Medical Discharge And New Job Monday, Dies

NEW YORK, June 19.—INS—Lt. Jack Miley, 46-year-old sports writer who reportedly gave the Brooklyn Dodgers the nickname of "Dem Bums" died unexpectedly a few hours before he was to get a medical discharge from the navy.

A veteran of two world wars, Miley had returned from the Pacific only recently and was scheduled to go to work as a feature writer for the American Weekly Monday.

He had worked on the New York Mirror and Daily Times and later joined the New York Post as a sports columnist.

Good Scores In Best Ball Golf

Pete Dumen and Stan Boloski were winners of the best ball tournament, one match, at St. John's High summer, taking over the first team. Some good golf was had despite the fact that the course was slow due to recent rains.

Bukowski, Birdie, on four and late turned the trick for his and his partner, Capt. Vandervoot of Doshon Annex had a dozen on the pair four 15 hole. He was teamed with Merle Segel and they teamed in a net score of 71 to nudge Fred Broad and Duke Money, with a net of 72.

In the second flight, Sgt. Bob Adkins and Vic Rosati were the winners. Sgt. Ankine shooting an 85 and Rosati an 81.

The new Ohio State University humor magazine has been named "The Stoer," Feyer, replacing the discontinued "Sundial."

Women Golfers Open Title Play

INDIANAPOLIS, June 19—INS—

Thirty-two women from 15 states came today into match play in the 16th annual Western Women's Open Golf Championship tournament at the Highland Golf and Country club after surviving the 18-hole qualifying round.

Stars of the tournament were Mrs. Milted Babe Diork on Zaharia, Los Angeles, one of the country's outstanding women athletes, and Miss Louise Sugas of Atlanta, Ga., who both joined the 76th-best course one under par yesterday.

CHURCH LEAGUE RACE TIGHTENS

Second U. P. Gains On Mahoning
Epworth; F. Palmer And McGaffie Medalists

The race for the first half championship in the New Castle Church softball league is on.

Last night the top two Second U. P. teams picked up a point in their match with the First Baptists. The first-place Mahoning team and Epworth's second place were having a cat-and-dog fight. At a score of 2-2, Second U. P. is but one point out of second place and 4 points out of a top rung the with Mahoning.

With three matches left in the first half, anything can happen. Mahoning has the toughest team to face in the All-Stars, Epworth, having three wins and two losses. First Baptists and First U. P. have the same three teams to face that Mahoning does. A merry dink-dank race to the wire is indicated.

F. Palmer, McGaffie Medalists

Fred Palmer and Clarence McGaffie with sparkling 47-10 records were co-medalist last year in the league. Other top cards were turned in by Jimmy Darr, 38; Elmer Palmer, 40; Henry Brown, 40; Tom Woodrow, 40; Jack Heiste, 41; Dabkin, 41; Roy Mifflord, 41; F. C. C. bone, 42; A. H. Chamber, 42.
